

SHE TECH SERIES

IEEE Student Branch College Of Engineering Karunagappally in association with Industry Application Society Celebrated Women's day on 10th March 2019 by organizing a workshop in a tremendous way. 40+ members were attended the workshop. The workshop was based on open source hardware. The session carried out by the mentoring provided by Ms. Sajna Mohammed (Chairperson, Robotics and Automation Society). The event came to end by a photography session.
