

CONTENT MANAGEMENT SYSTEM WORKSHOP

IEEE Student Branch College Of Engineering Karunagappally is always concerned with boosting the technical qualities of the student member. An efficient workshop in association with Industrial Application Society was conducted on Content Management System. 25+ members was molded by the workshop handled by Mr. Akshay Krishnan(Student Branch Chairperson, Webmaster & former chair of IAS)&, Arun Sreenivas (Chairperson, Computer society). The workshop gave a vital informative regarding website designing which was much beneficial one. IAS quite successfully sculptured it's essence into the whole workshop. The depth of all the concepts inspired them to come out of their comfort zones and embellish their creative skills.
